# Search Page

Press to search and display results on right side.

Checkbox to determine whether criteria are conjunctive or disjunctive.

Search results will be displayed here.

Press to select existing album from dropdown.

Enter first criterion.

Enter second criterion.

Enter name of new album to create.

Press to cancel operation and close search page.

Press to create new album based containing photos generated from search. Duplicate album name will not be allowed.

The interface is titled "Search Page" and is divided into two main sections. The left section contains the search controls, and the right section is a large white area for displaying results.

**Search Controls:**

- Album search:** A dropdown menu at the top left.
- Field 1:** A text input field below the dropdown.
- Field 2:** A second text input field below Field 1.
- Search:** A button located below the two input fields.
- Conjunctive?:** A checkbox label to the right of the input fields.
- Name:** A text input field at the bottom left.
- Buttons:** "Cancel" and "Create" buttons at the bottom.

**Annotations:**

- An arrow points from "Press to search and display results on right side." to the "Search" button.
- An arrow points from "Press to select existing album from dropdown." to the "Album search" dropdown.
- An arrow points from "Enter first criterion." to "Field 1".
- An arrow points from "Enter second criterion." to "Field 2".
- An arrow points from "Enter name of new album to create." to the "Name:" input field.
- An arrow points from "Press to cancel operation and close search page." to the "Cancel" button.
- An arrow points from "Press to create new album based containing photos generated from search. Duplicate album name will not be allowed." to the "Create" button.
- An arrow points from "Checkbox to determine whether criteria are conjunctive or disjunctive." to the "Conjunctive?" checkbox.
- An arrow points from "Search results will be displayed here." to the large white area on the right.

# Opened Photo Page
